

**\*\*\*Contact information\*\*\***

**Name:** Nikita Yaskevich

**E-mail:** nikitabsuir@gmail.com

**Phone:** +48 516188779

**Current location:** Wroclaw, Poland

**\*\*\*Common information\*\*\***

**Favorite CS related topic:** Algorithms and Data Structures

**Core languages and technologies:** React, Golang, Next.js, PostgreSQL, MongoDB, Rabbitmq, Kafka, Docker, Kubernetes, Tanstack-query, Cypress

**\*\*\*Employment\*\*\***

**Finteum.com (Jan 2023 – now) 2 years**

*Fullstack Developer*

- Helped transitioning Application from Redux to Tanstack-query and introduced form state manager (using Typescript, Tanstack-query, Yup, react-hook-form).
- Designed and implemented precise fee calculation service in Go, including PDF generation and thorough test coverage.
- Providing fullstack support in backend-oriented teams, working in collaboration with backend devs, designers and stakeholders (using Golang, React, Next.js, Kubernetes, Fiber, Redux, K8, Cypress, Percy)

**Targsoft (Aug 2020 – Dec 2022) 2 years**

*Fullstack Developer in Idelic.com*

Creating microservices for Driver Claims, maintaining and understanding existing legacy code. Developed internal-facing dashboards. Investigated user-reported bugs. Helped building microfrontend for document and feedback management. Creating MVPs for new ideas (using Next.js, Go, AWS, S3, Rabbitmq, Docker)

*Fullstack Developer in Mental health startup*

Outsourcing. Working on Medoo Project (aided in implementing collaborative document editing). Creating UI and file storage (using Typescript, Node.js, GraphQL, AWS, S3)

**\*\*\*Competitions\*\*\***

**Key achievements:**

- **Ozon Route256 2025** qualificant (38th out of more than 300 competitors)
- Participated in **BSUIR-ICPC University Finals 2019** as a contestant

**\*\*\*Education\*\*\***

**Belarussian State University of Informatics and Radioelectronics (Sep 2018 - July 2022)**

Faculty of Computer systems and networks

Department of Informatics

Specialty: Engineer System Programmer

**\*\*\*Interests\*\*\***

Skiing, volleyball, movies, travelling, gym

**\*\*\*Additional information\*\*\***

Speak English (C1), Polish (B1), Russian (native), Belarusian.

Have National D Visa (Dont need permission to work in Europe/GB).

Ability to work on B2B terms.
